

Woodcote Pre-school Group

In school we use photographs to record children's interests and achievements as well as to show particular events. With your permission, we would like to take photographs of your child playing and learning for these purposes. We are asking that you show consent by filling in the form below prior to any photographs being taken. Any child who does not want their photo taken on a particular day will have that wish respected, irrespective of parental consent.

If you want further information or wish to discuss anything arising from this please contact Wendy Powell at the Preschool.

Thank you.

Parental consent for photographs

Parent Name: (Please print)	Signed:
Child's name:	Date:
Relationship to child:	Telephone number:
I consent to photographs being used for the following purposes. Please tick and initial
