

Woodcote Pre-School- Photograph Consent Form

Occasionally, we may take photographs of the children at our pre-school. We use these images in the children's learning journeys, on our display boards, printed publications, our website and on our Facebook page.

If we use photographs of an individual child, we will not use the name of that child in the accompanying text or photo caption. If we name a child in the text, we will not use a photograph of that child to accompany the article.

Learning Journeys are used to track your child's progress throughout their time at pre-school. These will be handed to you when your child leaves pre-school. Photographs of individual and groups of children may appear in these records.

The Pre-School often submits an article and pictures to the village magazine. Children may appear in these images.

From time to time, our pre-school may be visited by the media, who will take photographs or film footage of an event. The children may appear in the images/footage.

We regularly update our Facebook page and Website and upload pictures, so parents are able to see what we have been up to.

To comply with the General Data Protection Regulations, we need your permission before we can photograph or make any recordings of your child.

Please complete the consent form on the next page and return to Wendy Powell. If you have any concerns or questions regarding this, please do not hesitate to contact me.

Many Thanks

Wendy Powell
